PRAN-RFL Group has been working for people since 1981. **Easy Build,** a concern of RFL Group, has been created with the vision to bring 'confidence and commitment to quality' to construction. It's one of PRAN-RFL's latest ventures that was established in 2016. It was designed to build your valuable property effortlessly in a seamless manner so that you can have an excellent hassle-free experience.

Easy Build aims to provide proper planning and assurance of reliable services for crafting homes at an economic cost. It's not just a construction company, but helping people realize a dream. It's creating a better Bangladesh by integrating financial solutions into superior design and quality building materials under one roof.
